

### Response

This is a response to the Office Action mailed December 23, 2004. In response to the Office Action, please cancel Claims 25-29, and insert new Claims 34-39.

Support for the Claims is found in the parent case as originally filed Claims 19-24. It is submitted that the amendments made above address the double-patenting rejection. It is further submitted that neither Donnelly et al. (U.S. Patent No. 5,569,733) nor Zondler et al. (U.S. Patent No. 4,324,739) teach or suggest the powder coatings and catalysts as now claimed.

Respectfully submitted,
